Folk medicine or domestic medicine, consisting largely in the use of vegetable products, or herbs, originated in this fashion and still persists.

## **Folk medicine - Encyclopedia Britannica**

Folk medicine is a cultural practice that derives from a basic human need to heal and regenerate. In Mississippi the three main cultural pathways of folk medicine come from Native Americans, Africans, and Europeans. Members of each group acquired botanical knowledge from intergenerational contact with their elders.

Old-time music is a genre of North American folk music. It developed along with various North American folk dances, such as square dancing, clogging, and buck dancing. It is played on acoustic instruments, generally centering on a combination of fiddle and plucked string instruments, most often the banjo, guitar, and mandolin
