Managerial economics  
serves as a link  
between abstract  
theory and managerial  
practice. It is based on  
economic analysis for  
recognizing problems,  
organizing information  
and evaluating  
alternatives.

Notes # 5. Managerial Economics and Economic Theory (Traditional Economics): Economics has two major branches: microeconomics and macroeconomics. The former deals with the theory of individual choice such as decisions made by a consumer or a business firm. The latter is the study of the economic system in its totality.
