Her Only Desire A Novel

"Her Only Desire" is very reminisce of her older romances but overall this story is a little stale. Her description of India and their culture where the first part of the book takes place is quite remarkable, but overall the reader wants more in the terms of interaction between the hero and the heroine.

Her Only Desire has quite an interesting setting. The first part of the story takes place in India. The story is quite refreshing as we were introduced to some Indian culture such as the burning of wife when the husband die, the harem, etc. The hero, Ian Prescott, was sent to India to try to solve a British - Indian conflict.
